C02 · planes 0;3;7

C03 · planes 14;18;22

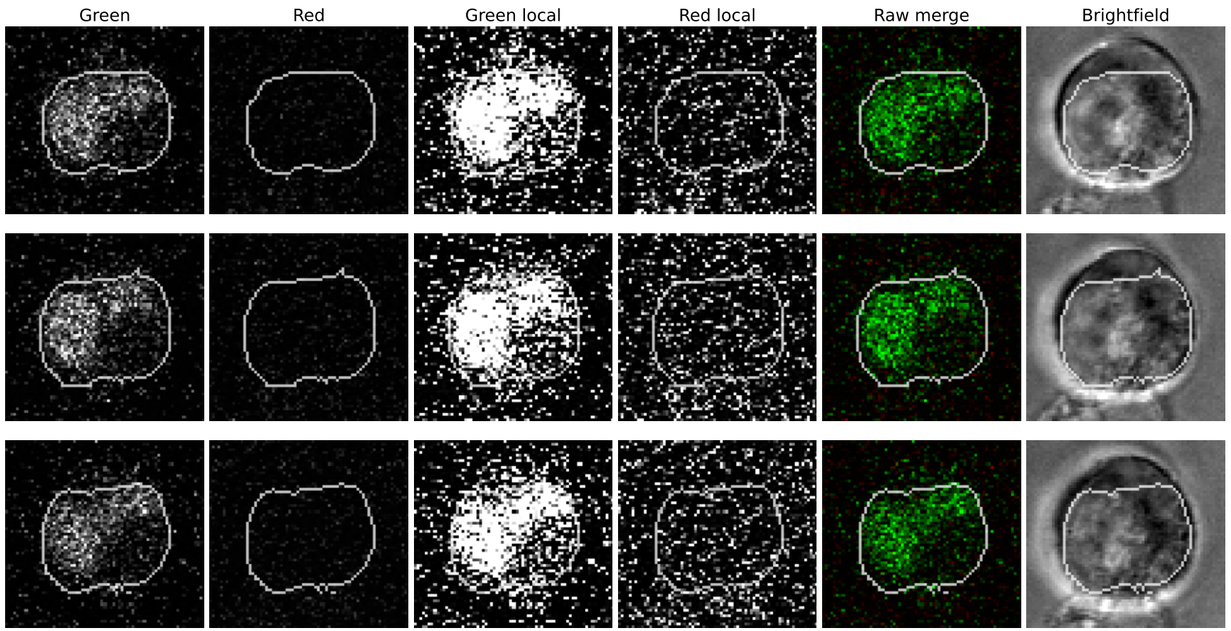

C04 · planes 22;26;30

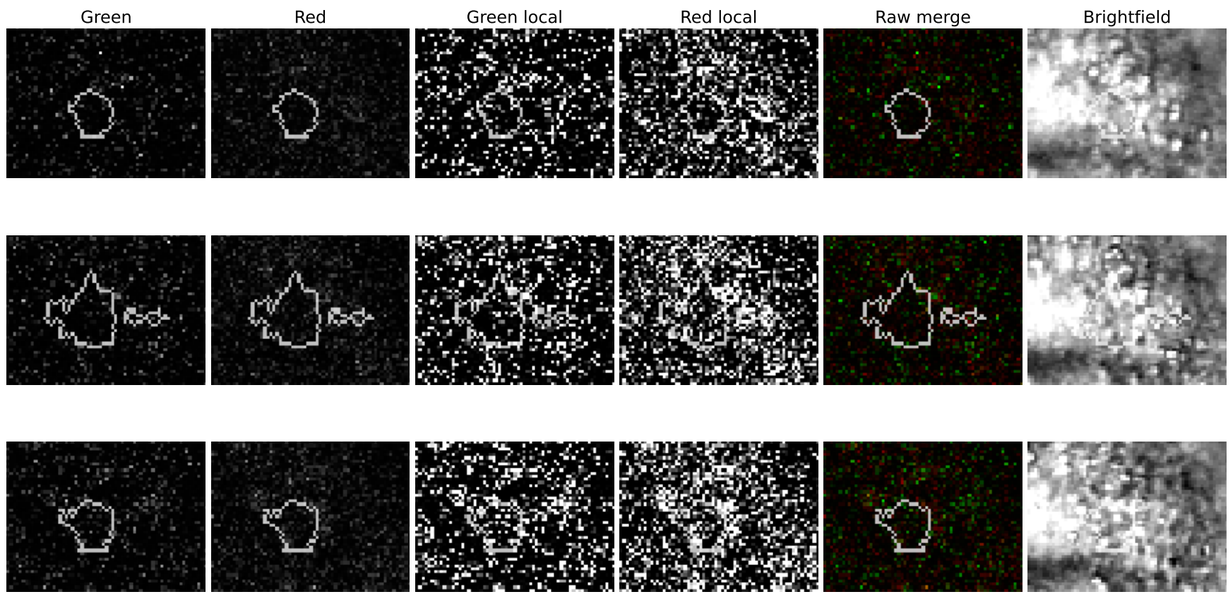

Local views: local reference subtracted (pooled reference if absent in this plane); fixed range 0–0.012 green / 0–0.008 red.
Judge interior enrichment across sections: positive / not detected / ambiguous; separately judge whether the mask is usable.
