FoF5 conditional-threshold image review · check · page 1
Identities, previous states, numeric scores and predictions concealed

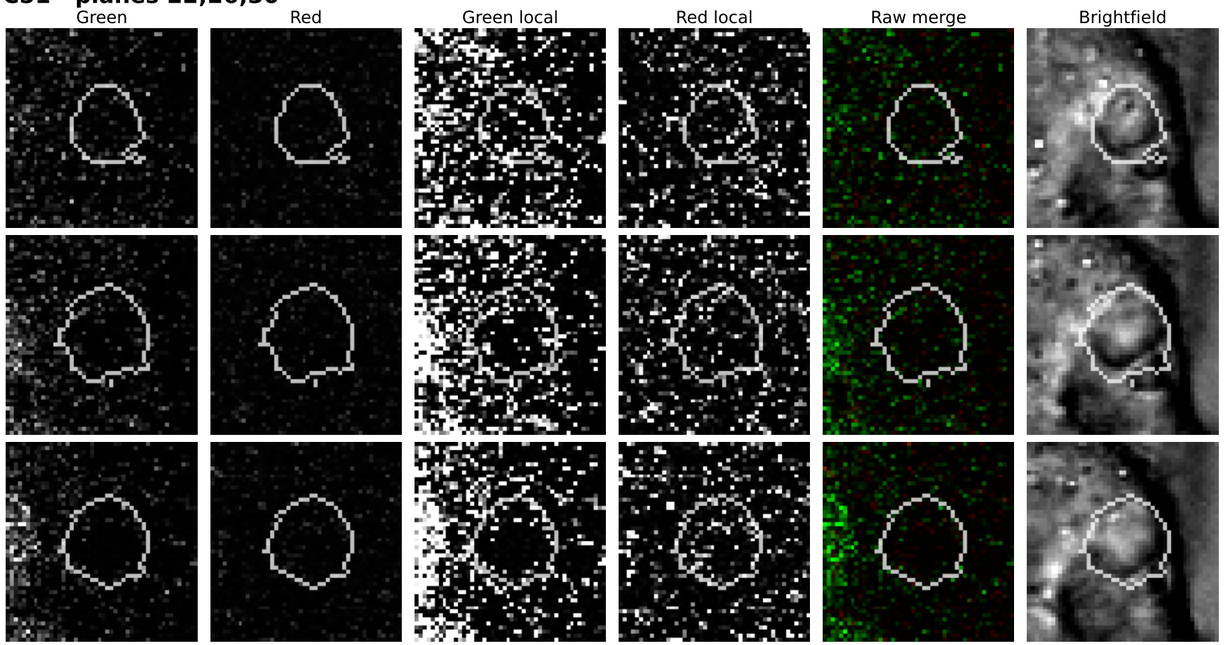

C49 · planes 37;41;45

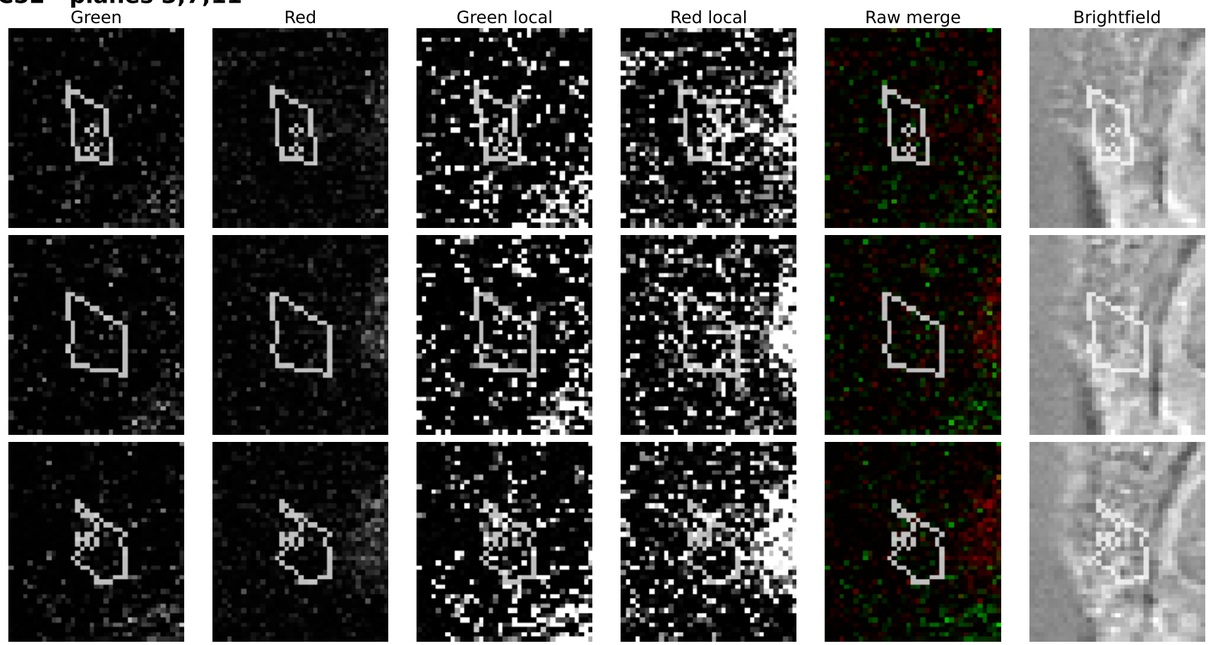

C50 · planes 8;12;16

C51 · planes 22;26;30

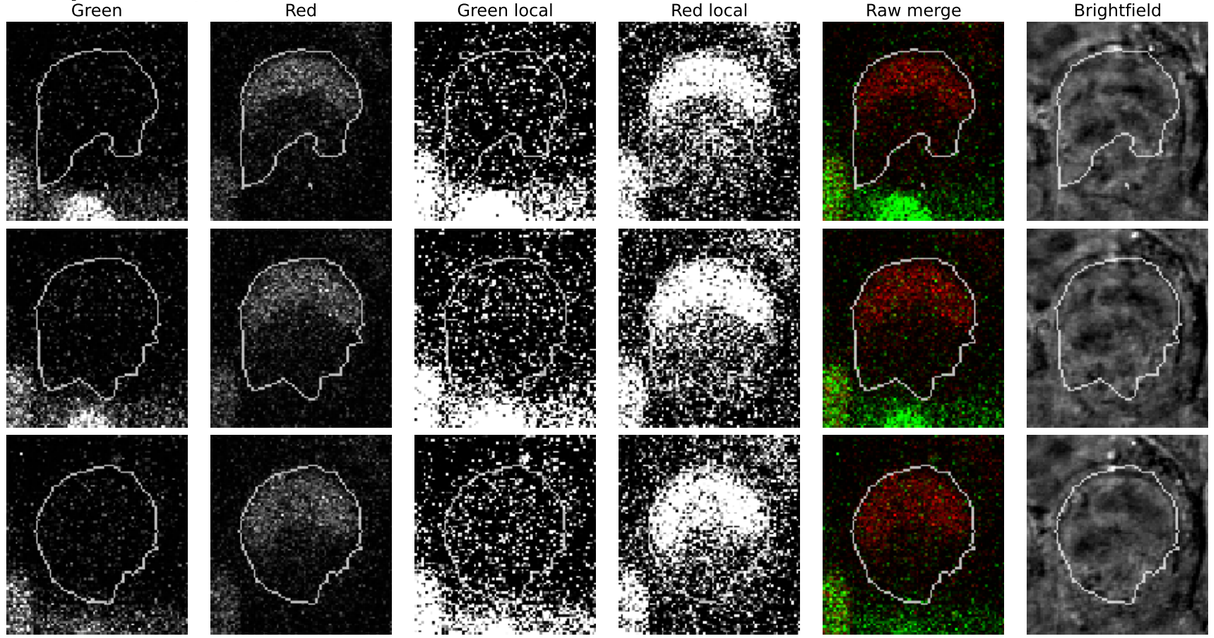

C52 · planes 3;7;11

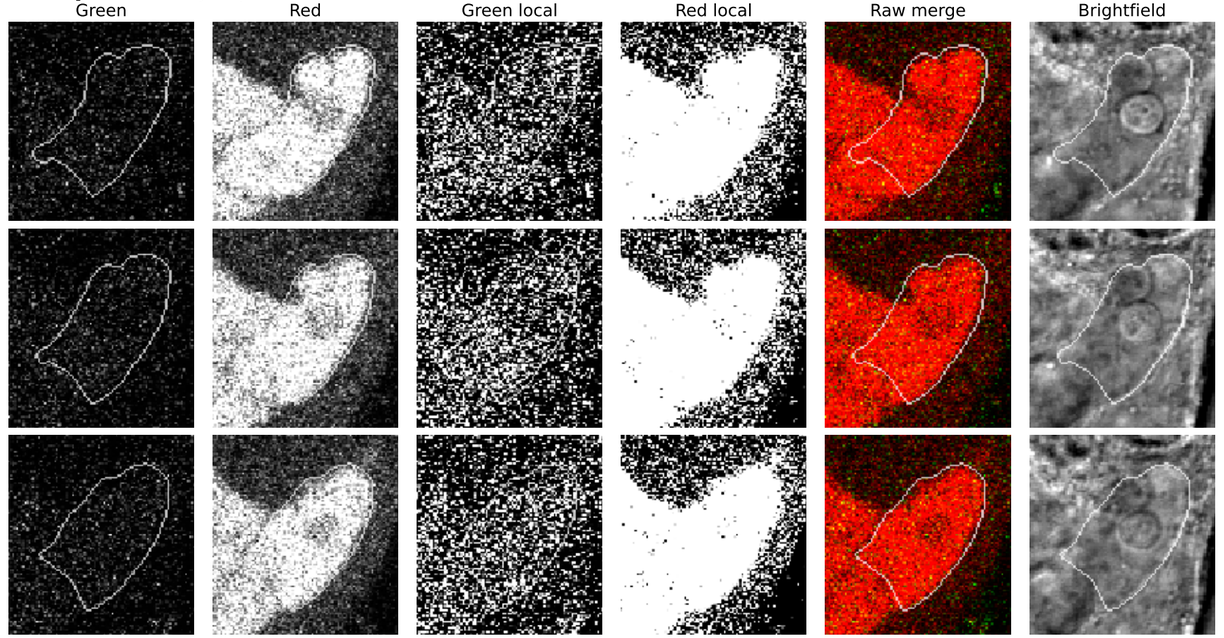

Local views: local reference subtracted (pooled reference if absent in this plane); fixed range 0–0.012 green / 0–0.008 red.
Judge interior enrichment across sections: positive / not detected / ambiguous; separately judge whether the mask is usable.
